Mr. Seidel:

I recently became aware of *Pub. Citizen, Inc. v. Lew*, 127 F. Supp. 2d 1, 19–20 (D.D.C. 2000), which appears to require the FBI to index its email systems pursuant to 5 USC §552(g). I request the opportunity to view all of the information described in §552(g), as permitted by the subsection itself.

Thank you in advance for your assistance.

Respectfully,
